

FIRST THINGS FIRST

Ready for School. Set for Life.

AGENDA ITEM: State Fiscal Year 2013 Quarter 3 Data Reports

BACKGROUND: All First Things First grantees are required to submit quarterly programmatic and narrative data and information to describe the progress of their grants. In months following the end of each quarter, this information is brought to the Regional Council funding the contract. Following the completion of each quarter, you will receive a programmatic data report showing the numeric data for each Navajo/Apache Regional grantee, and a narrative report that includes excerpts from the descriptive reports submitted by each regional grantee.

This month, you are receiving the Data Report that reflects the programmatic data submitted for the months of January, February, and March 2013.

RECOMMENDATION: The Regional Director submits the attached as information only.

Instructions for interpreting data report fields:

*Quarterly Data Submission Status

Quarterly Data Submission Status is not a strategy-specific data field. This is a FTF designated field in a report that indicates within a quarter the number of months of data that were submitted for a single contract out of the three mandatory months for the quarter.

0 = 0 months out of 3 months of data for this quarter were submitted.

Note:

No strategy-specific data fields will be displayed for a contract with a "0" Quarterly Data Submission Status

1 = 1 month out of 3 months of data for this quarter were submitted

2 = 2 months out of 3 months of data for this quarter were submitted

3 = 3 months out of 3 months of data for this quarter were submitted

Note:

A Quarterly Data Submission Status of "0" may be assigned in the following scenarios:

(a) The grantee did not set their PGMS data submission status to "complete" or did not submit data via other acceptable file transfer protocols

(b) The grantee signed their contract only one month prior to the end of the quarter and data submission is not applicable until the following quarter

(c) The contract's strategy-specific data reporting requirements may not be available and/or no training on data submission has taken place

**Contracted Service Units

Contracted Service Units only appear for a contract's lead strategy

Instructions for reading null and zero as data field values:

Blank data field = A null data field appears if the grantee selected "NA (Not Applicable)" when given a YES/NA option on their data reporting template indicating the specific data field(s) are not a part of their contract

0 = Grantee selected "No" in a YES/NO option on their data reporting template indicating the specific data field(s) were not collected for the quarter

0 = Grantee reported "0" on their data reporting template indicating the specific data field(s) were not collected for the quarter
